

# Success for the 1<sup>st</sup> EOS Annual Conference

The EOS 1st annual conference which was held on November 30<sup>th</sup> 2009 in Sophia Antipolis was a success. The conference addressed the issues of financing global companies, highlighting the challenges faced by entrepreneurs and experiences were shared by both investors and global entrepreneurs.

The very international conference gathered around 75 participants from several countries: Ireland, UK, Finland, US, Lithuania, Italy, Germany and France.

The participating companies had the opportunity to show their products and services to potential investors and partners, but also the possibility to do a 10 minute elevator pitch in front of an international investor panel with the audience voting.

13 companies pitched to the jury and the end of the day results were as follow:

**Best Presentation:**
